DECORATING | THE COLOR YOU NEED NOW

“Daffodil Yellow

is warm and inviting and has a youthful attitude. **What could be more welcoming** in a foyer?

For a 1950s house, I chose this classic paper from the David Hicks collection by Clarence House because of its vintage yet timeless appeal.

With superwhite trim, it really pops.”

—designer Meg Braff

Fabrics LEFT TO RIGHT: Serendipity by Scalamandré, Levant by Etamine by Zimmer + Rohde, Kashmir by Raoul Textiles, Campbell by Sister Parish Design, and Les Oiseaux Enchantés by China Seas. **Paints** LEFT TO RIGHT: Banana Yellow by Benjamin Moore, Yellow Brick Road by Behr, and Lemon Twist by Sherwin-Williams.
